

# Why are we here?

Leadership ability determines a person's effectiveness.

# **INTRODUCTION:**

# **About Ministry Ventures**

Ministry Ventures was founded in 1999 by Boyd Bailey and has trained over 1000 faith based organizations in the 5 Best Practices of Prayer—Board Development—Administration—Ministry Model—Fundraising.

# 1. Consider What It Means to Be a Healthy and Successful Ministry

# A healthy ministry has:

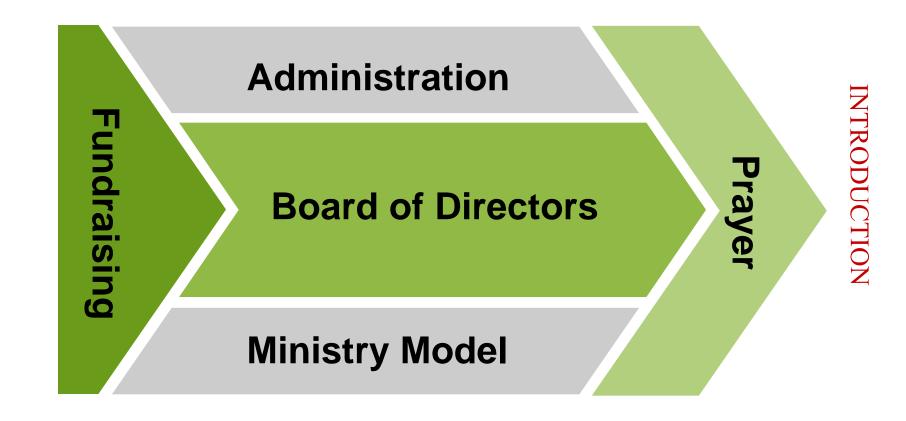

- a. Support from the **local church**.
- b. Well-<u>networked</u> leadership.
- c. Adequate and balanced **resources**.
- d. Ministry **alignment** and focus.
- e. Collaboration with others doing <u>similar</u> activities.

# 1. Consider What It Means to Be a Healthy and Successful Ministry

# A healthy ministry has:

- f. **Community** support.
- g. Emphasis on execution and accountability.
- h. **Scalability** for growth... consider partnerships
- i. Wise **guidance** from those with experience.

#### The 5 Best Practices

#### Ministry Ventures' 5 Best Practices

- 1. Prayer: Make your prayer support intentional by developing a prayer team with a mission and a plan to make that mission come alive.
- 2. **Board of Directors**: Build an engaged board of directors who know what they are there for and can partner in fulfilling the mission.

## Ministry Ventures' 5 Best Practices

- 3. Ministry Model: Develop your leadership style & team. Determine what service you're here to provide, whom you are providing it for, and how to do it effectively.
- 4. Administration: Know what your responsibilities are, and create a plan that prevents you from doing them all yourself.

 Fundraising: Ensure that the resources are in place to make your model thrive in an honorable way.

Training is like evangelism it changes your thinking.

"While it is revealing to consider what constitutes a leader, your search for understanding, for some kind of leadership formula, is apt to end in frustration. It is like studying Michelangelo or Shakespeare: You can imitate, emulate, and simulate, but there is simply no connect-the-dots formula to Michelangelo's David or Shakespeare's Hamlet. I suppose, when all is said and done, it really comes down to this: People are leaders because they choose to lead."

# 1. No Magic Leadership Formula:

- •Develop your God-given gifts
- •Use tools such as RightPath
- •Identify areas of growth
- •Focus on strenghts
- •Style has to be <u>natural</u> and not <u>forced</u>

# 2. What Gorilla? (Video http://www.youtube.com/watch?v=dpktHJXfCzI)

- •Not just about Addiction
- •What is draining your <u>energy</u>?
- •What is <u>consuming</u> your time?
- •What is hindering your growth?
- •Is there <u>a gorilla</u> in your life?
- •Exercise: Ask God to reveal to you what He wants you to remove from your life

# 3. Seek Christ for Guidance:

- •The ultimate model of Servant Leader
- •Turn to God and ask HIM
- •God's thoughts are bigger than our thoughts: Isaiah 55:8-9

"My thoughts are nothing like your thoughts," says the Lord. "And my ways are far beyond anything you could imagine. For just as the heavens are higher than the earth, so my ways are higher than your ways and my thoughts higher than your thoughts."

# •We should rely on God's <u>understanding</u> and not <u>our own</u>:

Matthew 7:7-9 "Keep on asking and it will be given you, keep on seeking and you will find, keep on knocking (reverently) and (the door) will be opened to you. For everyone who keeps on asking receives, and he who keeps on seeking finds, and to him who keeps knocking, (the door) will be opened or what man is there of you, if his son asks him for a loaf of bread, will hand him a stone?"

# 3. Seek Christ for Guidance:

# •If we seek God's wisdom it will be given: Proverbs 3:5-6

"Lean on, trust in, and be confident in the Lord with all your heart and mind and do not rely on your own insight or understanding. In all your ways know, recognize, and acknowledge Him, and He will direct and make straight and plain your paths."

# •Prayer Strategy:

Heavenly Father, as our Leader of Leaders, what are our leadership needs of YOUR ministry?

# 4. What's "The Win"?

- •Is there <u>friction</u> in your ministry?
- •What's that you want to look back and celebrate
- •To what <u>Vision</u> is God calling you?
- •Is it based on <u>faith</u> or your <u>sight</u>?
- •How to clarify "The Win" for your ministry—Tools

Clear and compelling messaging

Clarity in vision, values, mission, strategy

Building brand equity

Integrating brand into your <u>marketing message</u>

Exercise: "Putting your brand into words"

# 5. Creating Victories and Momentum

Leader's best friend—7 key points

- •It is the great <u>exaggerator</u>
- •It makes the leader look better than they really are
- •Helps followers perform better than they are
- •Easier to <u>steer</u> than to start
- •The most powerful change agent
- •Is the leader's <u>responsibility</u>
- •Begins <u>inside</u> the leader

# 5. Creating Victories and Momentum

How to create momentum?
•By recording and celebrating victories
Personal Example
•What's the worst that <u>can happen</u> test?
Personal Example
•Involvement in serving others & expecting nothing in return
Personal Example
•Prayer and confidence knowing that God will even use what
we think is bad for good.

## IF YOU GET NOTHING ELSE.....

There is a <u>LAW OF THE LID</u>, as JOHN Maxwell calls it, the higher the leader's ability to lead, the higher the lid on his potential. For example, if you are rated a 6 you will never lead those above a 5 and your effectiveness is thus limited. That is why good leadership abilities are so critical. In ministry, we need to be surrounded by leaders.

Leadership ability determines a person's effectiveness.
